

### LabVenture Participation, 2019-2020 School Year

During the 2019-2020 school year, we served students in all of Maine’s 16 counties. In the map above, yellow dots indicate schools that participated in LabVenture, black lines indicate school districts, and the color bar indicates the percentage of students who qualified for free or subsidized lunch.

An asterisk (\*) before the name of the school indicates a virtual visit through LabVenture Express taking place over the course of a week.
